Connecting Markets

CREATING VALUE

We Specialize in Exporting **HIGH-QUALITY PSYLLIUM**

Sea Bridge Exports is a professionally managed export company based in Ahmedabad, Gujarat, India the world's primary sourcing region for Psyllium (Plantago Ovata).

We specialize in bulk supply of high-quality Psyllium products for the pharmaceutical, nutraceutical, food, and health industries across global markets.

Our operational strength lies in direct mill sourcing, structured quality control, and export-focused documentation systems aligned with international buyer expectations.

Our objective is to establish long-term partnerships through transparency, consistency, and dependable supply performance.

VISION

To become a trusted global sourcing partner for premium Indian Psyllium products.

MISSION

- Deliver consistent export-grade quality
- Maintain transparent pricing structures
- Support buyers with complete documentation
- Build long-term supply relationships
- Operate with ethical and professional standards
